CUSTOMER TESTIMONIALS

⭐⭐⭐⭐⭐

We booked spa treatments at the house we rented for a Zen Hen Party and a yoga class at a near by village hall (hall booked separately by myself) through Love Pamper. Everything from start to finish was perfect. Lydia's communication was consistently helpful and she was always on top of everything. We had a couple of last minute changes and she accommodated to what we needed for the event every step of the way. The spa therapists were wonderful and professional and gave amazing facials/massages. And our yoga instructor gave us a wonderful relaxing and fun yoga class. Can't recommend this company enough and I will definitely be using them again should I need to!! Thank you!!

We booked Love Pamper for a hen weekend, Natasha was amazing at helping to organise everything and the yoga instructor and spa therapists that arrived to our location on the day were lovely. Everyone loved the treatments and yoga session, would definitely recommend this for any weekends away!
Fiona who delivered our Yoga class, was thorough and made us all feel comfortable and relaxed before a full day of corporate events! Everyone that took part really enjoyed the session and we couldn't recommend Love Pamper Company enough!

We booked a yoga instructor and two massage therapists for my best friend’s hen do and they were incredible! The yoga was perfect, everyone really enjoyed it, mats were provided, the instructor, Fiona, was amazing and great with communication in the lead up to the weekend. The therapists were also great and everyone felt so relaxed afterwards. I would definitely recommend the company, they have been so helpful throughout the process and really understanding of last minute drop outs! I would definitely recommend!
