"Lydia and Natasha made organising my daughter's pamper party completely stress-free from start to finish. The therapist was fantastic with the children, creating a fun and relaxing atmosphere that made every guest feel special. The girls absolutely loved their treatments and haven't stopped talking about it since. I would highly recommend Love Pamper Company for any children's celebration!"

"We booked the Selfie Ready package for my daughter's 13th birthday and it was incredible. Natasha was so helpful throughout the booking process and Lydia made sure everything was tailored perfectly for the girls. The treatments were fun, age-appropriate and professional, and the selfie station was a huge hit. A truly memorable experience."

“Our Mum & Daughter pamper experience exceeded all expectations. Lydia was wonderful to deal with and Natasha ensured everything ran smoothly. The treatments were relaxing, luxurious and the perfect way to spend quality time together. We felt thoroughly pampered and would definitely book again.”
